

Bus Air Manufacturing

LIMITED WARRANTY

Bus Air Manufacturing, LLC (The Company) warrants each new Bus Air system to be free from defects in material and workmanship under normal use and service within the expressed time limits set forth herein for its various components from the date of installation.

1. Five (5) years on evaporators and condenser coils. Company will exchange complete evaporator or condenser coil if leak occurs.

2. Three (3) years on all other parts/components and approved labor.
Extended Warranties Available
(See Below)
800-473-9914

This limited warranty specifically does not extend to the following exceptions:

1. Components, which have been subjected to misuse, negligence, accident or road hazard.
2. Components or systems, which have been altered or modified.
3. Damages resulting from the replacement of the original components with substitutions not authorized by the Company.
4. Damages resulting from failure to perform scheduled and regular preventive maintenance.
5. Failed parts not returned within 30 days from the date of warranty repair.
6. Replacement parts not purchased through the Company or approved vendor.
7. Components, which fail due to improper installation, inadequate air or coolant flow.
8. Items such as filters, fuses, switches, relays, belts and hoses.

Bus Air Manufacturing

The liability of the company under this limited warranty is limited to the repair or replacement to the end user without charge for the component or components acknowledged by the company to be defective. Repair or replacement shall be at locations approved by the company. This is the exclusive and complete warranty made by the company. The company makes no other express or implied warranties, and disclaims any expressed or implied warranty of merchantability or fitness. This warranty is also in lieu of all other obligations or liabilities on the part of the company. The liability of the company under this limited warranty does not extend to travel time and/or mileage, towing charges, or bus downtime.

EXTENDED WARRANTY

Extended Warranties can be purchased at the time of purchase on any NEW Bus Air Manufacturing, LLC systems at the rate of \$1,000.00 per year for up to seven (7) additional years.

The Extended Warranty is subject to the same terms as above for the duration of the Extended Warranty purchased.

Bus Air Manufacturing will cover any installation issues if we performed the installation.

The company who installed the products will cover all other installation issues.
